## MOVEMENT FORM FOR STORE CATTLE ATTENDING BRIDGNORTH MARKET

Name & Address of Vendor	Holding Number: ----- Holding from where Cattle moved if different from above
Farm Assurance Registration No. (if applicable)	-----
Expiry Date:	-----
Vehicle Registration Number:	-----
T.B. Testing Status of Parish from where Cattle moved (i.e. TB1 (annual test), 2, 3 or 4) and Date of last clear T.B. test:	-----
Enclosed pre-movement T.B. test result (signed by Veterinary Surgeon) for Cattle 15 months old (2006) [42 days old (2007)]	

1. I/We hereby declare that I am the owner of the animals described below and that the particulars shown on this form on signing are true and complete.
2. I/We declare that the Auction Lot Numbers are correctly matched with the official eartag and that the passport relating to this number is correct.
3. I/We declare that no animals susceptible to F & M have moved onto the holding from which the relevant Cattle have moved off, during the last 6 days.
4. I/We declare that the Auctioneers will not be held responsible if any information provided for the below cattle proves to be incorrect and I/We accept full responsibility for amending or changing incorrect paperwork etc.
5. I/We declare all relevant Cattle have been TB tested or are exempt from test under current DEFRA Legislation rules.
6. I/We accept that any losses that occur regarding the above declarations will be our (the Vendors) responsibility.

Signed : \_\_\_\_\_ Dated : \_\_\_\_\_

### **Cattle Vendors Please Note Special Conditions of Sale**

Any Vendor knowingly delivering an animal of dangerous temperament or owning an animal which becomes dangerous prior to sale or during its time in Market which causes injury or damage to persons or property, will be held responsible for all consequences including financial compensation for personal injury and cost of repairs to Market premises.

Any injury caused to such an animal during its stay in Market, resulting in part or total financial loss of its carcase will be at the full responsibility of the Vendor
